We report in the form of an independent limited assurance conclusion that based on our work performed, as described in this report, nothing has come to our attention that causes us to believe that E-Global Trade & Finance Group, Inc.'s management assertion of the total number of active client accounts and total sum of agents' commissions for the year ended 31 December 2014 has not been prepared, in all material respects, based on the methodology described in the report.

E-Global Trade & Finance Group, Inc.'s Responsibilities

The management of E-Global Trade & Finance Group, Inc. is responsible for the preparation of the management assertion report on the total number of active client accounts and total sum of agents' commissions that is free from material misstatement in accordance with the management voluntary disclosure requirements and methodology described in therein.

This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and presentation of the management assertion report on the total number of active client accounts and total sum of agents' commissions that is free from material misstatement, whether due to fraud or error.

The board of directors of E-Global Trade & Finance Group, Inc. is also responsible for preventing and detecting fraud and for identifying and ensuring that E-Global Trade & Finance Group, Inc. complies with laws and regulations applicable to its activities. The board of directors of E-Global Trade & Finance Group, Inc. is responsible for ensuring that E-Global Trade & Finance Group, Inc. and staff involved with the preparation of the management assertion report on the total number of active client accounts and total sum of agents' commissions are properly trained and relevant information systems are properly updated.

Our Responsibilities

Our responsibility is to examine the management assertion report on the total number of active client accounts and total sum of agents' commissions prepared by E-Global Trade & Finance Group, Inc. and to report thereon in the form of an independent limited assurance conclusion based on the evidence obtained. We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000, *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* issued by the International Auditing and Assurance Standards Board. That standard requires that we comply with ethical requirements, including independence requirements, and plan and perform our procedures to obtain a meaningful level of assurance about whether anything has come to our attention that causes us to believe that E-Global Trade & Finance Group, Inc.'s management assertion of the total number of active client accounts and total sum of agents' commissions for the year ended 31 December 2014 has not been prepared, in all material respects, based on the methodology described in the report., as the basis for our limited assurance conclusion.

The procedures selected depend on our understanding of the management assertion report on the total number of active client accounts and total sum of agents' commissions and other engagement circumstances, and our consideration of areas where material misstatements are likely to arise.

The procedures amongst others included:

- Obtaining the reports from nine MetaTrader4 trading servers (Cent1, Cent2, Cent3, Cent4, Classic1, Classic2, Classic3, ProSTP and PAMM) that list all agent commissions for the period from 1st January 2014 00:00:00 till 31st December 2014 23:59:59;
- Obtaining the reports from nine MetaTrader4 trading servers (Cent1, Cent2, Cent3, Cent4, Classic1, Classic2, Classic3, ProSTP and PAMM) that list all active client accounts for the period from 1st January 2014 00:00:00 till 31st December 2014 23:59:59;
- Based on the reports obtained from procedure 3) we counted the number of unique active client accounts that performed trade transactions, as per criteria presented in the management report on pages 1 to 2, during the period from 1st January 2014 00:00:00 till 31st December 2014. 23:59:59;
- Based on the reports obtained from procedure 2) we summarized transactions, which formed agents' commissions during the period from 1st January 2014 00:00:00 till 31st December 2014 23:59:59. We checked mathematical accuracy of the total agents' commissions;
- We converted all agents' commissions summarized in procedure 5) from local currency to US dollars using the exchange rate at the date of the transaction when the transaction was made. We used the quotations of respective liquidity providers that had been used for particular currency conversions into US dollars at the moment of transaction;
- Testing underlying data on active user accounts and agents' commissions for existence and accuracy on a sample basis using a combination of controls and substantive approach.

Limited assurance is less than absolute assurance and reasonable assurance. Evidence-gathering procedures for a limited assurance engagement are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement.

Criteria

The management assertion of the total number of active client accounts and total sum of agents' commissions was assessed against the methodology described on pages 1 to 2 of the accompanying management assertion report.

Our conclusion has been formed on the basis of, and is subject to, the matters outlined in this report. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our modified conclusion.

E-Global Trade & Finance Group, Inc.'s Assertion

Management assert that the total number of active client accounts and total sum of agents' commissions is prepared, in all material respects, based on the methodology stated on pages 1 to 2 of the accompanying management assertion report.
